

COSTUME FITTING WEEK

NEXT WEEK IS COSTUME FITTING WEEK (Oct. 2, 3 & 5).

Please make sure your dancer is in class! THIS IS VERY IMPORTANT. If your dancer is unable to make it, please notify me ahead of time. We will be measuring your dancers DURING classes to figure out sizing for costumes. Please have your dancer wear tighter fitting clothes to class to ensure we get the most accurate measurement possible.

****Dancer also must bring a \$30 (non-refundable) check for their costume deposit. THIS DOWNPAYMENT IS \$30 per EACH dance class YOUR DANCER IS IN. (i.e. 2 classes = \$60 downpayment).****
If your dancer is in both Pointe and Adv. Ballet, only one downpayment is due for the two classes.

PAYMENT IS DUE NEXT WEEK DURING CLASS!

****Please fill out this form and have your dancer return it to me WITH their downpayment during their costume fitting next week.****

Please make checks payable to: THE MAIN POINTE SCHOOL OF DANCE

If deposit is not returned, no costume will be ordered. Final costume balances will be due prior to costumes being received. The final costume price will not be determined until after costumes are ordered.
Costumes will be ordered by mid-October to ensure that we get them earlier.
