SENIOR SPOTLIGHTS

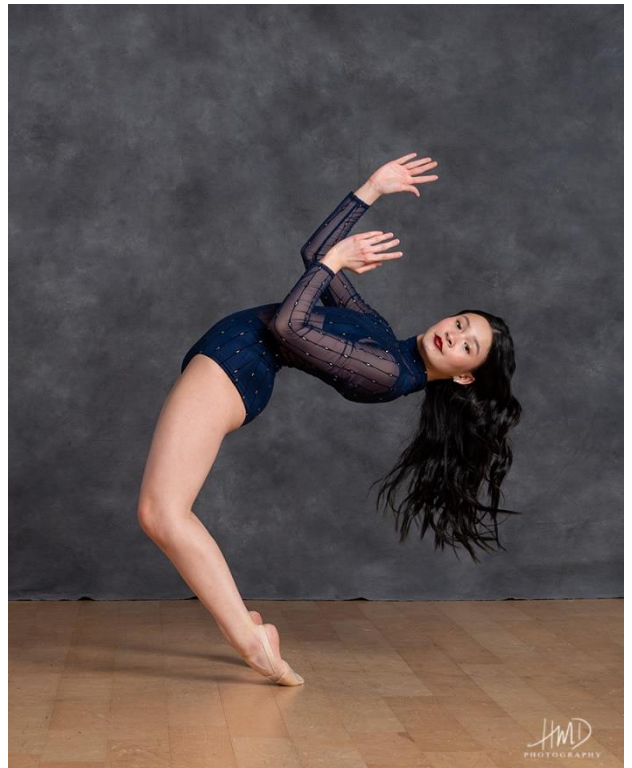

CADENCE FLOLO

Cadence Flolo is the daughter of Joline and Michael Flolo. Cadence has been dancing for 10 years. She will be attending Minnesota State University, Mankato in the fall. She plans to pursue a degree in Special Education with a Minor in Communication Sciences and Disorders. Her hopes are to become an early childhood special education teacher. Cadence's favorite studio memory has been their team always coming together and learning to perform under any circumstance. Their team has learned how to adapt well to any challenges they had to face throughout the past few years.

KATIE GERDES

Katie Gerdes is the daughter of Sheldon and Sue Gerdes. Katie has been dancing for 15 years. She plans to attend the University of Minnesota, Duluth to pursue a Major in Chemistry. She then hopes to continue her education and enroll in dental school to pursue her dream of being a dentist or orthodontist. Katie's favorite memory at the studio is that last year they had a stuffed hedgehog as their class mascot. Katie is not planning to continue dancing in college for the UMD Dance Team. However, her hope is to find a studio to stay involved in and participate in adult classes and maybe even help teach a few!

SENIOR SPOTLIGHTS

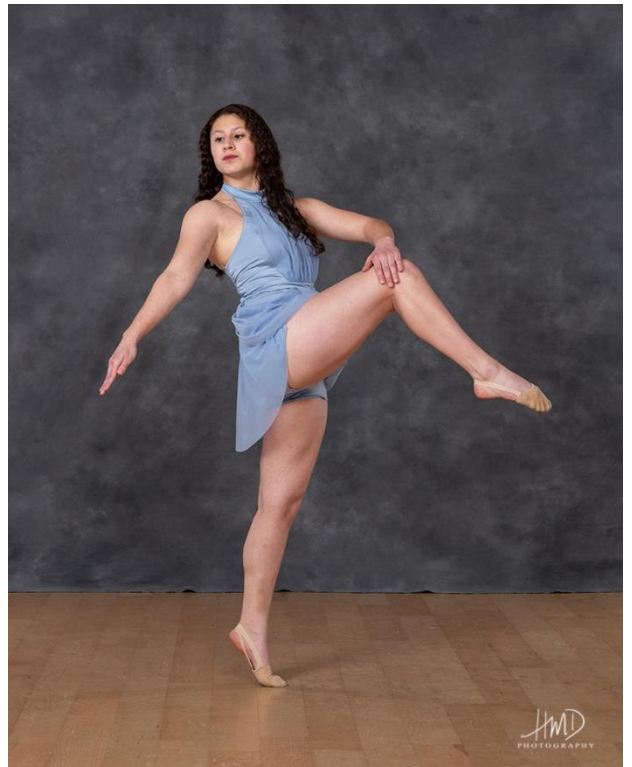

JENNA HISKEN

Jenna Hisken is the daughter of Mark and Sandy Hisken. Jenna has been dancing at Main Pointe for 13 years. She will be attending South Dakota State University in the fall to pursue a degree in Interior Design. Her favorite dance memory from over the years has definitely been the recitals and seeing all of their hard work pay off. Jenna wants to give a big thanks to her parents for all of their support throughout the years. From long competitions, to dance recitals, they have always been there. She also wanted to thank Naomi for all she has done. "Miss Naomi is the reason I can call the studio my family." She said she is going to miss all the girls and she is thankful for the many memories she has had the chance to make with everyone over the years. She also wants to wish all the seniors success in the future, as well as the rest of the dancers with their upcoming season. "I am sad to leave, but all good things must come to an end!"

OLIVIA MAERTENS

Olivia Maertens is the daughter of Mark and Cecilia Maertens. Olivia has been dancing at Main Pointe for 11 years. She will be attending St. Cloud State University in the fall to pursue a degree in Business. She also hopes to expand her knowledge of sports while she is there. Olivia shared that it is hard to pick one favorite memory. She has loved all of her time at the studio and will cherish each memory. "Dance and this studio have been such a big part of my life and I'm so glad I was able to spend over half of it with my amazing and fantastic teacher Miss Naomi, as well as my past teachers and all the girls. The studio will always be my second home and I'm forever grateful for it. Thank you so much for everything." Olivia also wanted to share that she is forever grateful for her parents supporting her over the years. She could not have done it without them.

SENIOR SPOTLIGHTS

BETHANY MOLASH

Bethany Molash is the daughter of Tommy and Amy Molash. Bethany has been dancing since she was a little kid, but took some time off of dance for a few years. Sophomore year she injured herself, which made her very cautious about coming back her Junior year in fear of re-injuring herself. After the recital that season, she realized how much she loved dancing and being at the studio and decided to join again her Senior year. Her plan is to attend Minnesota State University, Mankato in the fall and pursue a degree in Elementary Education. Her favorite studio memory is getting the chance to be around the people that make her days so much better. Another favorite memory was from her Sophomore year when she was injured sitting in the back marking the dance, but she still had the opportunity to watch everyone else rock it.

SARAH SKALBECK

Sarah Skalbeck is the daughter of Todd and Melissa Skalbeck. Sarah has been dancing for 10 years. Her plan is to attend YWAM next spring and pursue a degree in Dental Hygiene. Her favorite studio memories include being backstage and helping her friends and other younger dancers with costume changes and fixing their makeup for their next performance.
