Over the years, her favorite studio memory has been getting the chance to choreograph and perform a duet with Mady. She wants to thank her parents for always supporting her, and her dance instructor, Naomi, for being an amazing mentor. Lastly, she also wants to thank all the girls that she has gotten the opportunity to share the stage with. She loves you all so much!

CHLOE JENSEN

She has been dancing since she was 4 years old and joined Main Pointe her freshman year. She also started assistant teaching her Junior year at the studio, and she will miss every moment of helping with those classes. She will be attending Minnesota State University, Mankato next fall. Her plans are to pursue a degree in Social Studies Education. Her favorite studio memory has been all the laughter shared with her friends every Thursday night because of how tired they were. She wants to thank her parents, her dance besties and her dance instructor, Naomi, for pushing her to always work hard. She also wants to thank her fellow dancers for all the memories and for sharing their love of dance together.

Samantha loves dancing and is sad this is the last time she will be on stage as a student. The thought of returning to Main Pointe next year fills Samantha with excitement and gratitude towards Miss Naomi, whose hard work and dedication have molded her into the dancer she is today.
